# Make a Connection With Our Community

## Why Sponsor Downtown Events

### Connect With Our Community

Downtown is the heart of our community. We are building a large and vibrant network of visitors and community members. Downtown is a trusted and loved pillar of the Lebanon area. By sponsoring our events you reach real people with a real connection to Lebanon.

### Support Your Community

When you support Downtown Lebanon you are supporting our entire community. As we breathe new life into downtown, the increased visitors, revenues, and sales taxes support all of Lebanon and Laclede County. Your support reaches much more than just Downtown.

### Know the Value of Your Investment

Downtown tracks social media and website visitors and impressions. We advertise in our local newspaper and on local radio stations. Our monthly social media reach is 120k plus. When you sponsor Downtown events in 2024, you will receive an after-action report with details on how many people your sponsorship reached.

### Feel Good About Your Advertising

Downtown Lebanon is organized as a 501(c)(3) non profit organization. Your sponsorship is a tax-deductible donation that supports the revitalization of Downtown Lebanon. Your community will thank you for your support and you will feel good about spending your money to help your community.
